

Environmental Policy 2017

Mission Statement:

GL events UK Spaciotempo recognises it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impacts and continually improving our environmental performance as an integral part of our business strategy and operating methods

Policy Aims:

Comply with all relevant regulatory requirements

Continually improve and monitor environmental performance

Continually improve and reduce our environmental impacts

Integrate environmental best practice into our business management systems

Increase employee awareness and training

Monitoring and Improvement:

Measure and analyse product and services efficiencies

Measure our consumption of resources and improve the efficiency of the resource usage

Minimise our impact on the local community in regards to noise, odours, dust, vibration etc.

Manage waste generated from our operations through re-use, reduction and re-cycling

Actions:

Set clear objectives and targets which will be assessed through the management review process

Attain group certification to ISO 14001:2015 by the end of 2017

Provide customers and regulatory bodies oversight and review of our environmental management system

Communicate our environmental policy and performance internally and externally

Engage with customers, suppliers, shareholders, employees, local community, regulators and local authorities to promote improvements in environmental performance

Promote consideration of sustainability and environmental issues in the services we provide to our customers
