Specification Sheet

D6 Double Personnel Door (DDA Spec Glazed - Public)

This is a steel hinged doorset used primarily as an entry/exit door. When unlocked it provides easy use in public areas through the use of simple door furniture. Both leafs can be locked when required. Includes vision windows to 'DDA' requirements and fast fix frame extensions for temporary buliding use.

Frame

- » Factory finished in powder coat PPC BS10 A05 (Goosewing Grey) with ripple finish
- » Frame material 1.5mm cold rolled steel

Leaf

- » Magnelis (self colour)
- » Leaf material 1.2mm aluzinc
- » Overall door thickness 55mm

Hardware

- » Internal SAA push plates
- » External SAA pull handles complete with DIN mortice deadlock and double euro cylinder
- » Door closers

Glazing

- » 2x 254mm x 762mm vision windows
- » 2x 254mm x 559mm vision windows
- » 6.4mm laminated glass
- » Size and layout to comply with DDA regulations
